Re: RNC Consolidated Cases

Dear Judge Francis:

I write in reference to motions filed by defendants on January 22, 2008 in thirty-eight of the RNC-related actions consolidated before Your Honor for discovery. These applications were omnibus motions to compel certain discovery from the plaintiffs in these actions. A list of the cases in which these motions were filed is annexed hereto as Appendix A.

At the last status conference, Your Honor stated that the parties could choose whether they wanted to file these motions with the Clerk of the Court. Defendants seek to file these motions with the Clerk, and therefore respectfully request that Your Honor enter an order permitting defendants to file their January 22, 2008 case-specific motions and any replies thereto under seal. As the Court is aware, sealing is required because in these case-specific applications defendants moved for, *inter alia*, orders compelling certain plaintiffs to produce releases for access to their mental health and medical treatment records and, in so moving, discussed various plaintiffs' histories.

Respectfully submitted,

Jeffrey C. Brooks
